

Aspiring Artists

New 7 week series starting March 24, 2020

Students (grades 1-8) will paint their own renditions of famous masterpieces by learning the specific brushstrokes and layering techniques of famous painters! Each student will create his/her own paintings which will resemble the masterpieces listed below. In addition, students will create holiday decoupage projects for Easter and Mother's Day, as well as, paint their own original blossoming cherry trees. Acrylic paints and heavy card stock paper are used for all lessons.

NOTE: Please bring a pizza box to transport wet painting home! Acrylic paints stain clothes, so please provide a smock that will fully protect uniform from paint stains. Fitted plastic smocks work the best to protect school uniform. Thank you!
